SEAL OF ACHIEVEMENT

*Dan Clapp, President*
*A.S.T., LLC*

October 14, 2004
*date*

The contractor above now has the necessary information to properly recommend and install our product. A.S.T., LLC does not have control of the installer, the application methods, the weather, the job-site conditions, or the quality of workmanship. Thus, A.S.T., LLC cannot warranty the completed installation. All warranties are written and honored by the contractor. Before using, the contractor and his customer shall determine the suitability of this product and they shall assume all risk in connection therewith.
